

*There's a fellow in Real Estate who's truly number one.  
He's sold many of our properties, and yes our hearts he's  
won.*

*He's very dedicated, your best interests of him are a part.  
He sleeps and eats with you in mind, you become a part of  
his heart.*

*He's number one you see, for he always does his best  
You, he always has in mind, with a smile, the best in the  
west.*

*There's nothing artificial about him, he always is true blue.  
So if you need a Real Estate man, Gary Klassen is  
the one for you!*

*Sincerely,  
Mr. & Mrs. P.W. Giesbrecht*
